

## DOOR MAINTENANCE

For longevity of all products, Oliveri Millworks suggests a maintenance contract to avoid voiding company issued warranty.

*\*\* No abrasives or bleach type products to be used. If inspection determines these products have been used, warranty is void.*

### PRODUCT

Oliveri Custom Doors

SUGGESTED CLEANING MATERIAL: Murphy's Oil Soap to be applied with soft terry/ jersey/ cotton rags.

### FREQUENCY

4x per year

### CLEANING INSTRUCTIONS

ICA Stain, Paint, Solid Color Finish, and Clear Finish

1. Clean with damp cloth, wipe gently
2. Wipe off immediately after with dry cloth

For tougher stains, such as grease and finger prints if first steps do not work;  
Gently wipe on and wipe off High Flash Naptha Solvent.  
If tougher stains persist the area will need to be recoated:

1. Prep with fine sand paper, 400-600
2. Sponge clean
3. If stained: apply 1 coat, clear finish
4. If solid color: apply 1 coat paint
